**Know Your Ingredients:**

**TimeWise Repair®**

**TimeWise Repair® Volu-Firm® Set**

**Hyaluronic Acid:**
HA provides essential cushioning and holds on to moisture that can actually help plump the skin.

**Plant Stem Cells:**
These are cultivated and used in skin care formulas to help deliver advanced age-fighting benefits.

**Retinol:**
This age-fighting superhero is known to encourage cell turnover and renewal.

**Glycolic Acid:**
This highly effective exfoliant enhances the skin’s own renewal process.

**Peptides:**
These help to support natural processes that keep your skin looking healthy and youthful.

**Sunscreen:**
Broad spectrum sunscreens help protect skin from both UVA and UVB damage.
