

# TSS Treasure Island Cruise

**October 29, 30, 31, 2021** (Fri, Sat, Sun)

Host: Ed Boudreaux, 813-294-9724, Catalina 350, Lagniappe

Fusion Resort Marina – book online at Dockwa – 25% off coupon through 10/31/2021

Fusion Resort: 727-300-6866, VHF channel 16 (Call the resort on cell phone after you transit the Treasure Island Bridge)

Fusion Resort amenities: new marina slips (fixed docks) with 50-amp shore power and water, pool, bar, lunch counter, restrooms, NO showers. Call the marina to confirm power hookups as needed.

**Friday** – Meet for Happy Hour at the marina. Possible dinner on the boat or out at a restaurant.

**Saturday** – On your own during the day, head to the beach, meet for Happy Hour at the boat then head to VIP Mexican restaurant for dinner. Skip Bo or Rummikub on the boat

**Sunday** - Sail home

## Navigation:

Distance: 24 miles GPS: 27.77128° N, 82.76516° W

TSS to ICW Boca Ciega Bay Light 1 (south of Pinellas Point)

Follow ICW under the I-275 bridge towards Gulfport and then north to Treasure Island.

Two Bascule bridges require opening to pass – Corey Causeway Bridge and Treasure Island Bridge. Call the bridge tender on VHF channel 9 to schedule your opening.

Approach to Fusion Marina:

After transiting the Treasure Island Bridge, continue north to Treasure Island green Daybeacon 17. Continue north until nearly abeam of the channel fingers on the west side. Turn west and proceed just south of the channel fingers until abeam of Treasure Island Marina, located on the south side of Isle of Palms and just west of a short fixed bridge. Note, depths along the approach are greater than 6.5' at low tide. I had no issue transiting with a 4.5' draft.

TSS to ICW Boca Ciega Bay Light 1

ICW to Treasure Island Bridge

### Treasure Island Bridge to Fusion Marina

Approach Track to Marina (Depths on track are wrong. They exceed 6.5'. Depths in the middle of the bay are shallow. You will get stuck if you transit the middle of the bay.)
