

2018 SFONE Annual Leadership Conference

Building Resilience in Nursing Leadership *Is it time for CPR?*

Our Keynote: **Renee Thompson, DNP, RN, CMSRN**

As an international speaker, author, and consultant, Dr. Renee Thompson tackles the professional challenges facing healthcare leaders today. With 26 years as a clinical nurse, nurse educator, quality manager and nurse executive, Dr. Thompson is an expert on workplace bullying, and spends the majority of her time working with healthcare organizations that want to eliminate bullying and incivility.
