I am sure you will agree that this award is especially fitting for Pierre because of his lifelong contributions to the chemical industry that exemplify the reasons why the International Palladium Medal Award was established 60 years ago.

The award was established in 1958 and the first Palladium Medal was presented to Ernest-John Solvay of Belgium. Twenty-seven subsequent awards have been made to American, French, British, and German recipients. The last five recipients were: Seifi Ghasemi (Air Products), Ellen Kullman (DuPont), Andrew N. Liveris (Dow Chemical), Stephanie A. Burns (Dow Corning) and Chad O. Holliday Jr. (DuPont).

The award will be presented at a dinner to be held at:
