

Société de Chimie Industrielle

Founded 1918

September 2015

Catherine Price's (2012–2013 and 2014-2015 Société de Chimie Industrielle Fellow) book, [VITAMANIA: Our Obsessive Quest for Nutritional Perfection](#), was published by Penguin Press on February 24. She also had an editorial published in the [New York Times Sunday Review](#) about the hidden fortification of our food supply and how it is enabling eating habits that are harming our health.
