

CALL FOR SPEAKERS
Submissions due by August 13, 2021

2022 Colorado Emergency Management Conference
February 22-February 25, 2022
Embassy Suites by Hilton Loveland Hotel Conference Center & Spa

The Colorado Division of Homeland Security and Emergency Management (DHSEM) and the Colorado Emergency Management Association (CEMA) are accepting proposals for the 2022 Colorado Emergency Management Conference (CEMC). This year’s theme is:

Crisis and Emergency Management Transformation: Redefining Emergency and Disaster Management in Colorado

BREAKOUT SESSIONS

There will be 5 concurrent tracks composed of 60 minute sessions. While all emergency management topics are welcome, the Conference Committee is interested in proposals that fit within the categories below. Additionally, the Committee is continuing the Emergency Support Function (ESF)-8 Track for all things health and medical.

2022 Breakout Session Categories

Emerging Trends and Innovation
Leadership
The Whole of Community
Current Research and Best Practices
Public / Private Sector Partnerships
Our Changing Risk and Hazard Environment
Policy and Advocacy
Public Health and Medical

Submission Instructions

Submissions are due by **August 13, 2021**. See the relevant Speaker Guidance document [LOCATED HERE](#) for details. Please use the following link to submit a proposal: [Breakout Session Submission Form](#)

Speaker Notifications

Prospective speakers will be notified by September 03, 2021 as to whether their submission was accepted.

Financial Assistance

The Conference Committee offers a complimentary one-day conference registration and one night's hotel stay for one speaker per session.

Contact

If you have any questions or issues, please email EMConference.CO@gmail.com.

COEM TALKS

The Colorado Emergency Management Conference is excited to continue the tradition of including a COEM Talks session as part of the 2022 conference. The goal of this session is to educate and inspire attendees on emergency management topics in a short, 7-minute talk. Past sessions have focused on leadership, collaboration, partnerships, and even zombies.

Session Style

The COEM Talks are modeled on the well-known TED™ Talk format and provide a unique opportunity to communicate an idea or topic in emergency management to a large audience in a short amount of time. Each speaker will be given 7 minutes to speak on a topic of their choice. Topics should tie back to the conference theme.

Submission Instructions

Submissions are due by **August 13, 2021**. See the relevant Speaker Guidance document [LOCATED HERE](#) for details. Please use the following link to submit a proposal: [COEM Talks Submission Form](#)

Financial Assistance

All selected COEM Talks speakers will receive a one-day complimentary registration and one night of hotel accommodation at the Conference.

Contact Information

COEM Talks Support: Contact Michelle Deland at mdeland@ncrhcc.org or Ashlee Delventhal at adelventhal@tidalbasin.rphc.com.
