## Talking Heads vs. Journalists

### The Face of Journalism in the 21st Century

Presenter: Edie Gross

Tuesday, 13 January 2009      Chandler Hall

Americans have more sources of information than ever before: newspapers, satellite radio, 24-hour cable news, talk shows, blogs, Internet publications, Twitter. So what qualifies as "journalism" vs. just chatter? And who is a journalist vs. just a source of information? And does it even matter?
