INSTRUCTIONS FOR NEW MEMBER APPLICANTS

Application Process Guidelines

1. Complete two-page application form. It is essential that the two “charter” members sponsoring your application sign the application form. Also, the second page of the form indicating your contributions to the Club must be included and signed.
2. It is required that you have a letter from your two charter member sponsors supporting your application. Those letters should be with your application.
3. A letter from the applicant indicating the reasons for wanting to join the Yacht Squadron is also required.
4. Once the above material has been received and reviewed, an interview may be scheduled at the Yacht Squadron.

For your information, the Yacht Squadron generally takes in new members at the first of the year. Applications are accepted thereafter depending on the needs of the squadron.

Completed applications should be sent to:
