2021 Youth Tennis Lessons

Tennis lessons are open to tennis players ages 5-up during Monday-Thursday. We have lessons that last 45 minutes, for the younger players and 1 hour lessons for the “older” players. This year we are offering advanced lessons as well as lessons for adults. We are also offering tournament play for players who want a competitive experience. Please refer to lesson descriptions and prerequisites before placing yourself or your child in a class as our lessons build on skills from previous skill development.

Each session is 4 weeks long. The first session runs from June 28-July 23. The second session is from July 26- August 20
