ADVISORY COUNCIL

Dellie Woodring, Chair

Dear Friends,

Many of us take advantage of the approaching summer season to make plans with family and friends and explore the great outdoors of beautiful Marin County. These connections and opportunities to socialize and have fun not only enhance life, they improve health!

Marin Villages is creating social communities designed to deepen connections within neighborhoods throughout Marin, from Tiburon to Novato, San Rafael to Fairfax, and beyond. Our Village calendars offer something for everyone:

Vigorous hikes & flat walks

Luncheons & coffees

Educational seminars

Outings

Book clubs & memoir writing

Play reading & films

Presentations by experts

Celebrations and more...

In addition, our volunteers lend members a helping hand with things a friendly neighbor would do, making it possible for them to continue active lives and age at home.

Please consider partnering with us and joining the Village Movement! Donations and grants allow us to sustain a lean operation and subsidized membership for those in need.

All donations are voluntary and kept strictly confidential, and no one will be denied services for failure to donate, however, these gifts make our participation in the Older Americans Act Chores Program a reality.

Thank you for giving generously and know YOU make a real difference!

Lisa Brinkmann
Executive Director

P.S. If you are at least age 70^{1/2}, you can instruct the trustee of your traditional IRA to send your donation directly to Marin Villages, without having to pay taxes on the distribution. Also, please consider donating any appreciated stock that you've held for a year or longer. Check with your tax professional for specifics.

Donors of \$500 (and up) enjoy a complimentary membership in Marin Villages. Marin Villages is a 501(c)(3) non profit organization
