## PARENT VOLUNTEERING BOND

Parents are an important part of the MRYC Junior Sailing Program and we need you to take an active role in supporting the program. Even though the instructors are able to handle all the daily activities of the various classes, there are several areas where parents are needed. We are asking that you help out in whatever way you can by signing up as a volunteer for one or more of the following areas. This will be explained in more detail at the Meet the Instructor BBQ and through the Handbook. Sign-ups will be available to all families downstairs at the club on the bulletin board, closer to the beginning of the season. If you fulfill the required participation, a \$50 refund will be sent to you at the end of the session.

Here are some ways we need you to get involved:

1. **Parent of the Day** – A parent will be at the clubhouse each day of regular instruction. This parent will be on land to facilitate with any emergencies that may be sent in off the water. This parent will have communication with the instructors, in the event that a sailor needs to return to land (examples may include – not feeling well, need to use the facilities, call home, need medical assistance, etc.) A parent/ family member may volunteer for a ½ or full day.
2. **Drive a trailer** – Parents are needed to trailer the boats to and from local regattas. You must have your own tow vehicle with correct ball.
