

MRYC Swim Team News

We are excited to announce that Lauren Ianniello is joining the MRYC Swim Family and is the new head coach taking over for Tripper Brannick. Lauren coached the Brick High School Varsity Swim Team and the Brick Rec Program for the last 17 years so give her a warm welcome when you see her! Her email is laurenruessell@gmail.com.

Hailie and Summer will also be back assisting!

We are using a new vendor for team swim suits!!!

Swim NJ is located at 3092 Shafto Road in Tinton Falls. They are in the SwimQuest building (after you pass the hockey rink & Mazza Disposal the swim building will be your 2nd right, it sneaks up on you and is the last building in the back.) You will see all kinds of swim murals in the windows. They are open 10am-6pm daily and will be putting the MRYC logo back on the suits!

The suits are staying the same ☐

Swim NJ phone # is 732-922-7700.

Swim NJ will be at MRYC for bathing suit fittings & purchase on Monday, May 14th from 6-7:30 pm so please come out and get your gear, sign up and say hi to Lauren! If you have a suit from last year please bring it so you can get the MRYC logo on it, cost is \$5. Newly designed caps will also be on sale this night along with goggles, etc.

We are currently working on schedules for swim team practices, meets, and lessons and this information will be updated on the website once the league meetings are done.

We are excited for some good weather and a great season.
