

GUIDE TO

ICW2020

INTERNATIONAL **COACHING** WEEK

MAY 4-10, 2020

CELEBRATE COACHING

Dear ICF Heartland Member,

Thank you for being a part of our chapter.

This year ICF celebrates its 25th year leading the future of coaching. Since its founding in 1995 the International Coaching Federation's purpose has been to give credibility to coaching as an emerging profession and to give coaches a place to connect with each other.

International Coaching Week (ICW) is an opportunity to celebrate and promote the enormous power and impact of professional coaching. In this guide you will find some of the ways you can participate.

Including...

- Tour of Heartland Coaches – Facebook Live Stream
- International Coaching Day – Pro Bono Campaign
- Social Media Blast and Contest
- Credentialing Panel, and
- #ExperienceCoaching

Also, in this guide you will find logos that you may use to create your own International Coaching Week content and material as well as a checklist calendar for helping you manage the various ICW happenings.

Together, as professional coaches, affiliates, and ICF members, we pursue the vision of ensuring that coaching is an integral part of a thriving society.

Thank you for all that you do in pursuit of this vision. ICF Heartland would not exist without you.

We look forward to hearing your stories and celebrating you.

My Best Always,

TOUR OF HEARTLAND COACHES

FACEBOOK LIVE

Join us every weekday, May 4-8, and Saturday, May 9, from 11:00 to 11:20 on Facebook Live for an interview-style conversation with a Heartland coach.

ICF Heartland coaches come from diverse backgrounds including human resources, finance, military, engineering, physical fitness, counseling, education, and business. Equally diverse is the type of coaching our members provide. Among our members are Health & Wellness coaches, Executive and Leadership coaches, Somatic coaches, ADHD coaches, Career coaches, Life coaches, Retirement coaches, Business coaches, and myriad other specialties.

Each of our coaches being interviewed represent a unique niche in the coaching industry. It's a great opportunity to get to know your fellow chapter members, hear a personal coaching story, and gain inspiration for your own coaching journey.

It is also a great opportunity for those outside our chapter to learn about coaching.

There will be time at the end of each conversation for Q&A, so bring your questions.

HERE'S WHAT TO DO:

- Logon to our Facebook page facebook.com/icfheartland/ at 11:00 Monday through Friday for a 20-minute conversation with a Heartland coach.
- Encourage friends, colleagues, and potential clients to tune in.

INTERNATIONAL COACHING DAY **MAY 6, 2020**

Please join us by providing one (1) hour of pro bono coaching on May 6.

This year we are excited to join ICF in launching International Coaching Day on Wednesday, May 6. On this day, coaches around the world will provide free coaching to those in their community creating the first ever 24-hour period of continuous pro bono coaching.

We are challenging every ICF Heartland coach to donate one hour of coaching to someone in their community on International Coaching Day. Every coach who participates and completes the impact story will receive a Pro Bono Coaching Provider badge to use in their marketing and promotion material.

COACHES, HERE'S WHAT TO DO:

1. Complete the [pledge form](#) .
2. Find a member(s) of your community to receive the gift of coaching.
3. Provide one hour of pro bono, i.e. free, coaching. In lieu of a one-hour coaching session, consider two (2), three (3), or four (4) shorter sessions of 30, 20 or 15 minutes each.
4. Go to icfheartland.org/ICW2020 and complete the impact story survey.
5. Once your survey is complete, you will receive your Pro Bono Coaching Provider badge!
6. Use your Pro Bono Coaching Provider badge in your social media and/or marketing material to promote yourself as a coach who cares.

NON-COACH MEMBERS: Reach out to a coach to receive the gift of coaching for yourself or members of your organization through our [Find A Coach](#) feature.
