It's a pretty adventurous group we've got here in Dupont Circle. Many of us have been around awhile. We've seen a lot of the world. Some of us have actually changed it. One change we don't want to make is moving out of our homes just because we're getting a little older and facing a few more challenges. That's why we created Dupont Circle Village.

MEET THE COOLEST OLD PEOPLE ON THE PLANET.

Dupont Circle Village is a nonprofit, membership organization dedicated to preserving our independence as we age by fostering a community-wide sense of inter-dependence. It enables us to live life to the fullest, as curious, fun, helpful, plugged-in, fully-vested participants in the community.

WHY JOIN THE DUPONT CIRCLE VILLAGE?

As members of the Village, it's easy to make new friends. We help expand each other's horizons on occasion. Oftentimes, we just help each other deal with daily life.

We've created a social scene that would wear most young people out. Yoga groups. Dinearounds. Theatre outings. Current affairs discussions. Power walking groups. Museum trips. Jazz nights out. Options are as unlimited as the unfettered imaginations of our members.

Other activities include healthy cooking classes, mature driving courses and seminars on legal and health issues.

We have volunteers who help in lots of ways, whether you want to downsize your collections or keep up with new technology. They can reboot a wireless modem or figure out what's wrong with your iPhone.

Lastly, daily news updates keep us informed about issues affecting our lives. We maintain an online activity calendar, a Village Google listserv for sharing information and a pretty lively newsletter.

CALLING ALL VOLUNTEERS.

As a volunteer, you'll meet lots of interesting people, and very likely some pretty cool new friends. We're an independent bunch. But there are times we could use an extra hand. So, if you have a strong back, a car, or a knack for sorting out clutter – either physical or digital – we'd be grateful for the help.

OUR BUSINESS SUPPORTERS

The Village is dedicated to preserving what makes our community special, including our multi-cultural, multi-faceted and multi-generational character. Everything a local business could want.

Many local businesses support us with discounts or donations. We return the favor by shopping locally, by promoting them in our member newsletters and by being good, long-standing customers.
