

Hoboken Ski Club Cancellation & Refund Policy

This policy applies to all Hoboken Ski Club (“HSC”) trips/events, unless otherwise specifically noted:

1. Cancellation of Trips/Events With No Airfare

- a. If a member cancels 65 or more days prior to the first day of the trip/event, HSC will refund the total amount paid for the trip/event by the member.
- b. If a member cancels 64 days or less before the first day of the trip/event, the refund will vary dependent upon the club's final payment due date to the mountain/vendor (see triplereader for exact details).
- c. If a member cancels, his/her spot on the trip/event will be placed up for sale or, if the trip/event is sold out, the open spot will be first offered to members on the waitlist (gender may become an issue if rooming assignments have been completed).
- d. If the trip/event is not sold out, and consequently there is no waitlist, the burden of filling the spot lies with the member canceling. All replacements must be approved by the trip/event leader (gender may be an issue considering room assignments).
- e. Efforts will be made by HSC to fill the open spot, however, no refunds are guaranteed.
- f. If the open spot is not sold, the amount of refund to the canceling member, IF ANY, will be the amount of adjustments made by vendors or service providers in view of unused services. No adjustments or refunds are guaranteed.
- g. Refunds for cancellations will always be less any expenses incurred by HSC as a result of the cancellation.
