

Nuts and Bolts of Deposition Testimony

This ICE webinar presented by Bressler, Amery & Ross P.C. provides strategies to properly prepare for a deposition and to successfully testify at a deposition. Insurance collection staff and management may be deposed individually or in the capacity of a corporate representative. Regardless of the role of the witness, a successful deponent employs many of the same techniques and strategies. This introductory webinar with mock deposition examples in the context of an insurance collection matter will educate and prepare prospective witnesses.
