

PCI DSS Compliance Webinar

Focusing on the Importance of Data Security Compliance

Hosted by the ICE Education Committee, sponsored by RevSpring and presented by Todd Langusch, President of TECH LOCK.

Webinar key learning objectives:

- PCI DSS overview
- Key changes in version 3.1
- How 3.1 changes could impact new customer experience strategies (mobile apps)
- Key risks to insurers who underwrite policies for customers or commercial entities who take credit card payments from consumers
