

Eryn Brasovan, President of the National Premium Finance Association hosted this ICE webinar on March 30, 2017.

The webinar covers “Premium Finance 101” providing more awareness of property and casualty insurance premium finance loans and their impact on insurance companies. Participants will learn about the origination and servicing of premium finance loans and how these processes lead to interaction with insurance companies. Included examples of such interactions are policy verifications, arranging premium funding, and resolving loan balances when a premium finance company cancels financed policies. The objective of the webinar is to educate insurance companies about the obligations arising under states’ premium finance laws and to facilitate communication between insurance companies and premium finance companies to increase efficiency and understanding.
