Exhibit Date – MVCAC's art exhibits are held on a rotation format usually on a bi-monthly basis. Exact dates will depend on the availability of the council and will be determined mutually between the council and the rotation artist. Every consideration will be made to the artist to display his/her artwork in the most advantageous situation possible, plus press coverage whenever possible, including social media.

Set up – MVCAC welcomes the help of the artist to hang show. Artist is responsible for their own title cards, roughly the size of a business card. Included on the card: *Title, Medium, Size (frame size), year completed, and Price*. A framed full page bio/artist statement with a photo of the artist is recommended. 8"x10" is adequate.

Opening Reception – An opening reception will be held on the *Friday at 7PM* after delivery of the artist's work. Opening receptions are the highlighted event supporting the artist's work. In addition to our local press, each artist is responsible for contacting his/her support base to increase attendance. Additional information regarding opening reception will be made available directly to participating artist. Artist must attend the opening reception.

Additional Viewing – During rotation period, rotation exhibition can be shown by appointment. Additional events are held ongoing at the CAC and are attended by art patrons where the rotation artist's work will be on view.

Show's End – It is preferred that sold items stay on display for entire rotation (replacements are accepted). Most sales take place at opening reception and buyers are usually the artist's clientele. Artist is responsible for delivery of all artwork sold. MVCAC will arrange for pick up if buyer is unknown by artist.
