

CANYON LAKE
SAILING INSTRUCTIONS
MODIFIED FOR HCYC USE
Effective February 17, 2016

1 RULES

The race, regatta, or series will be governed by the rules as defined in the current Racing Rules of Sailing (RRS) 2013-2016, the prescriptions of the US Sailing Association (USSA), the current version of the Canyon Lake Sailing Instructions Modified for HCYC Use, and if sailing in a one-design fleet, the applicable class rules.

2 ENTRIES

Competitors may enter by delivering a completed entry form and paying the appropriate entry fee as detailed in the Notice of Race for each race, regatta, or series as specified in the Notice of Race.

3 NOTICES TO COMPETITORS

Notices to competitors will be posted on the Official Display of the HCYC facility.

4 SIGNALS MADE ASHORE

Signals made ashore will be displayed on the HCYC deck. The AP with two sound signals (one when lowered) means the race is postponed. The warning signal will be made no less than thirty (30) minutes after the AP is lowered. HCYC will attempt to notify registered racers, of other clubs and independent, not in attendance, by telephone of any signals made ashore. Registered racers are requested to provide a working cell phone number on their registration forms.

5 SCHEDULE

Races will be sailed as described in the Notice of Race for the race, regatta, or series.

6 CLASS FLAGS

Class flags will be as follows:

<u>Class</u>	<u>Flag</u>
Assigned	Numeral Pennant 1
Assigned	Numeral Pennant 2
Assigned	Numeral Pennant 3
Assigned	Numeral Pennant 4

7 RACING AREAS

The racing area will be in the area between Comal Park and Canyon Park or as designated in the Notice of Race.

8 COURSES AND MARKS

The courses will be designated on a white board on the back of the Race Committee boat. The top section contains the compass heading to the first mark. The lower sections indicate the fleets and the assigned courses. Please see Appendix A for course diagrams.

EXAMPLE OF COURSE BOARD		
220		
Class A	Class B	Class C
F	M	I-2

Marks will be orange or yellow shapes. The color of the marks for events with multiple racecourses will be announced at the Skipper's Meeting and posted on the Office Display of the HCYC facility. A buoy (barging ball) attached to the Race Committee boat shall be considered part of the mark.

9 STARTING AND FINISHING LINES & STARTING SYSTEM

Starts for all races will be in accordance with Rule 26. The start-finish line will be between the orange flag on the port side of the Race Committee boat and the race mark or starting pin to the port side of the Race Committee boat.

The starting line is restricted by 100 feet in ALL DIRECTIONS for any boat not racing, while any other fleet is in their preparatory phase. A boat shall start no later than fifteen (15) minutes after her starting signal. Boats that do not meet the time limit will be scored DID NOT START (DNS).

If a course is designated with a "*" (asterisk), after starting, but before finishing, the start finish line shall not be crossed (aka poison line). Boats crossing the start finish line when not starting or finishing shall be assessed a 20% scoring place penalty per crossing in any direction. Resulting score will not be greater than DNF.

10 CHECKING IN

Before her warning signal of her first race each day, each boat shall sail on starboard tack past the stern of the Race Committee boat and hail her sail number and fleet until acknowledged by the Race Committee. A boat failing to do so will be assessed a 20% scoring place penalty on its first race of the day. Resulting score will not be greater than DNF. The Race Committee will not acknowledge a boat until "On Station". To signal that it is "On Station", the Race Committee boat will raise the orange flag.

11 SAIL NUMBERS

All boats shall carry a visible sail number. A boat with conflicting sail numbers on her mainsail and other sails shall report the conflict to the Race Committee prior to the start of any day's first race. A Race Committee may protest a boat with no visible, improper, or illegible sail numbers.

12 CHANGE THE POSITION OF THE NEXT MARK

To change the position of the next mark, the Race Committee will move the original mark (or finish line) to a new position. The change will be signaled before the lead boat has begun the leg, although the mark may not yet be in the new position, and the old mark may not have been removed. Any mark to be rounded after rounding the moved mark may be relocated without further signaling to maintain the course configuration.

13 TIME LIMIT

If the first boat does not reach the first mark in one (1) hour, the race shall be abandoned. If the first boat in each fleet/class does not finish within two (2) hours, the race shall be abandoned for that class. Boats finishing more than one (1) hour after the first boat has finished in each class, will be scored DID NOT FINISH (DNF). This changes Rule 35 and Rule A4.1.

14 PROTESTS

Protest forms are available at the clubhouse. Protests shall be delivered there within the protest time limit. The protest time limit is one (1) hour after the sound signal is given at the time the Race Committee boat returns to the dock. This changes RRS 61.3.

14.2 The times of protest hearings and the boats involved will be posted on the Official Display of the HCYC facility. If protests are made under one-design rules, a copy of those rules must be submitted to the Protest Committee before the protest is heard.

15 SCORING

The Low Point System of RRS Appendix "A" of the Racing Rules of Sailing will apply. For Regattas, all completed races will be scored without a discard. Series scoring will be detailed in the official Notice of Race for that series. For Regattas with an even number of races sailed, ties will be broken by total corrected time in races in which tied boats sailed. If a tie still exists, joint winners shall be declared. The boat with the lowest sum will be declared the winner. This procedure supersedes the RRS Appendix "A" tie break method for all Regattas with an even number of races sailed.

16 CLASSES

The Notice of Race, Regatta, or Series will indicate anticipated classes. For the purpose of these instructions, a racing class is defined as a group of at least three (3) boats of one-design and type or a grouping of at least three (3) boats within a range of PHRF handicaps. If applicable, special arrangements may be made for level fleet racing provided the Fleet Captain for that fleet contacts the Principal Race Officer of HCYC for approval before the deadline for registration and submits a list of specific fleet racing rules.

17 PHRF EQUIPMENT

Any boat racing under the PHRF Handicap system must comply with PHRF requirements. If a boat desires to compete in the PHRF classes, she must either have the necessary equipment or make declaration of deviations from the required equipment. Equipment deviations from PHRF requirements may result in a change to the PHRF Handicap rating assigned to that boat. Failure to declare a deviation from PHRF requirements shall, when discovered, result in being scored DISQUALIFIED, NOT DISCARDABLE (DND) for the race, with the race counting toward the standings of the race, regatta, or series in accordance with RRS 2 - Fair Sailing.

2014-16 Rear Commodore of Sail, HCYC

Randle B. Moore

Principal Race Officer

APPENDIX A

COURSE DIAGRAMS

The diagrams below show the approximate courses, including the approximate angle between legs, the order of rounding marks, and the side on which each mark shall be passed. The "F" or the "I" courses may be extended by adding a number following the course to indicate the number of W-L laps to be sailed (see "I -2" as an example). The "M" course with a number indicates number of W-J-L laps.

S-W-J-L-F

S-W-J-L-W-L-F

S-W-J-L-W-L-W-L-F
