North Oakland Village is a grassroots, non-profit, fee-based membership community.

Our Vision is:

To build and sustain a community where all are supported, valued, and able to thrive as we age.

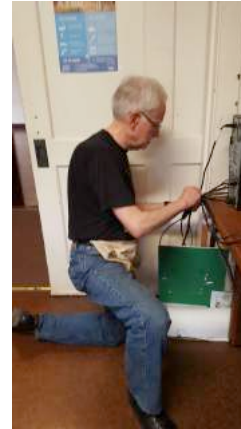

North Oakland Village, part of the national Village movement, is a community of people -- neighbors helping neighbors -- who support healthy, safe and independent living as we grow older in our own homes. We help our community of members and volunteers stay active, become engaged and have fun, enlivened by the fresh new community our Village represents.

We offer an ever-evolving menu of activities, seminars, classes and events tailored to the many interests of our members.

Volunteers provide members with a range of support and transportation services.

Volunteers share their tech skills while others help a member with a garden project.

Our entire Village community enjoys our various social events and informational programs.

ACTIVITIES and SOCIAL EVENTS

These include:

Crafting groups, exercise groups, monthly potlucks, special interest groups, outings and presentations on a variety of current topics. See our website.

Members enjoy excursions in the larger community to social and cultural events.

Volunteers enjoy catching up at a special Pizza and Beer Night in their honor.
