

CHICAGO'S MOST UNIQUE TEAMBUILDING EXPERIENCE!

The **Chicago Curling Club** is available as a rental venue from mid-October through early April for business meetings, teambuilding events, and private curling parties. Outdoor summer party space is available from May through September.

Space is available for business groups, nonprofits, and meeting/special event planners.

Our regular season is winter when the Ice House is frozen for curling. We offer teambuilding starting late October through mid-March. Times are available most weekday afternoons.

Our unique venue consists of four sheets of curling ice, a full service commercial kitchen, large dining area with seating for 64 guests, multiple TV screens, viewing/seating/bar for approximately 100 people, plus an comfortable intimate fireplace setting.

Utilizing the Club for a curling experience typically consists of group lessons for 32 people in teams of 4 or 8. We will accommodate no less than 16 and no more than 64 participants on the ice. Events are typically scheduled for 3 hours including two hours of ice time.

- Instructors / appropriate equipment / facility
- General introduction speech and short video (15 min)
- Warm-up exercises and entering the ice discussion (15 min)
- On-ice instruction on how to play the game; delivering the stone, sweeping and strategy – this is a full hands-on experience! (50 min)
- Team formation and play of a 2-end competitive game (45 min)
- “Broomstacking” session with refreshments and celebration (30 min)

All that your guests need to bring in order to participate are warm loose fitting clothes, a **CLEAN** pair of athletic shoes (carried into the club to keep foreign substances off the ice) and, if desired light gloves and a cap. The Club has all the game equipment necessary to participate including stones, brooms and teflon shoe sliders.
