Lacey Sunrise Lions Club Pancake Breakfast & Short Tour

Lacey Sunrise Lions Club with our very own Randy Jackson as theirs and our representative gave us an excuse to take our hot rods out for a spin and still have a nice breakfast of pancakes, sausages, eggs, and coffee with the Thurston County boy scout troop to serve us once again.

Every year our club assists the Lacey Sunrise Lions pancake breakfast which is a fund-raiser for causes their group supports. We cruise-in together and set up a car show outside the main entrance to the breakfast, making quite the attention getter for passersby. Once we get the cars in place we all migrate inside and enjoy the all-you-can-eat breakfast together. This event was previously held in North Thurston High School but this year it was held at Thurston County Senior Center.

We detailed our cars in advance, and wore our favorite Corvette attire with our usual car show display accessories for the People's Choice award prize. Congrats to Mr. Johnson

PRESIDENT'S MESSAGE

Hello CdeO Crew,

I would like to thank Cynthia Patnoe for teaching and hosting first ever CdeO Touring class, it was well worth the 2 hours we spent going over the dynamics of touring on public roads. Also what was especially good about it we have the majority of our tours for the year set up with leaders and planners.

This year should be very exciting for tours with all the fabulous locations we plan to see. So Please keep an eye on the events calendar and sign up for tours you want to participate in and be ready to have loads of fun.

We're looking for someone to lead the Vette Fest team this year, so if you're interested Please let me know because it's getting close to that time of year to start planning the activities to make this another successful CdeO event.

Save the Wave,

Arthur

Call to Order/Introductions/Approval of Minutes (Shanah Bain)

The meeting was called to order at 7:00 pm at Hawk's Prairie Inn Restaurant in Lacey, followed by introductions. Minutes from last month were approved. Arthur had a work engagement and was unable to attend the meeting.

Treasurer's Report (Mandy)

Mandy reported on the current balance. For a full report, please contact Mandy or check the website.

Committee Reports

Sponsorship Update (Shoshanah for Peggy Rogers)

No news.

Membership Update (Anne)

Anne mentioned that she is working to keep accurate attendance records at meetings and events. She sent around a list of members and asked us to initial our names to show that we attended. She also asked that we review the contact information sheet (with our names, email and phone number) and then put a check after our name to show we'd reviewed it.

Sunshine Chair (Donna O.)

Donna passed around a card which we all signed for Don P, who fell and broke his ribs.

Webmaster (Wendy Forcier)

Wendy was waiting for an article to include in the newsletter. She mentioned she was waiting for an article for the newsletter and asked us if we had any ideas on how to have more people writing articles. Historically, it's been the Tour Leader's responsibility to write an article. Wendy will provide a template. To add pictures to your article you can choose from those on the website. If you don't have pictures, Wendy will be happy to find pictures for you if you write an article.

About the website: There's lots of good stuff on the website. It's very user friendly. She has found that there is an error on spot for President's message and she is working on that.

Historian Update (Shoshanah for Carla and Karen R.)

Carla and Karen R. have a plan to take photos of you and your Corvette. Over this year, they will be collecting pictures of all club members.

Scholarship Fund (Mark)

Shoshanah for Mark. The check has been sent out for the SPSCC Automotive Program scholarship.

NWACC (Billy for Arthur)

Billy mentioned that there's a Facebook page for the National Corvette Museum. Under "Events" on our website, there is a link to the 2019 National Corvette Caravan on August 28th - August 31st. On the page, there is a list of who's going.

Events and Activities (Josette)

Where we've been:

Sat Feb 11: Corvette and High Performance Meet: There were over 900 booths with a focus on Corvettes and Muscle Cars. CdeO had a booth and 7 members attended the Meet. Barney Fife state patrol car was even there. Thanks to Carla and Mandy who took pictures.

Sunday, Feb 18: Tacoma Corvette Club Open House. Lots of cars, fabulous food (ribs & brisket), and lots of people from Oregon to British Columbia. Seven CdeO members went and had a good time. The British Columbia folks came with fancy shirts. Great pictures on our website.

Where we're going:

Saturday, March 25: Lacey Sunrise Lions Club Pancake Breakfast. Meet at 8:30 at Safeway on Pacific and Carpenter. We'll cruise over to the Lacey Senior Center where Randy will have parking blocked off for us. We've produced a fun group of cars in the past. This is a fund-raiser for causes that their group supports. And as Randy said, it's an all-you-can eat pancake breakfast for \$8.00, good food and early driving-season talking. There will be a People's Choice Vote for the most favorite car. There will be a tour after this breakfast designed by Cynthia. A group of hands went up in response to "Who's joining the tour?", and Marilyn and Shoshanah offered to lead the tour.

Sunday, March 26: Touring Class at Don and Cynthia's house or their club house. Sign up for it so Don and Cynthia know how many people will be coming.

Sunday, April 23: Drive to Allyn with Lunch at Leonard K's This event had a lot of likes in the Event Survey. It's a drive up to the little town of Allyn on the Hood Canal. If it's a clear day, we eat outside at the restaurant. Information on this tour will be up on the website.

Saturday April 29: Apple Blossom Festival weekend in Wenatchee. The Wenatchee Valley Corvette Club calls their spring car show as "The Best Corvette Show by a Dam Site." They're planning a meet and great at a drive in, a social car show, no judging. There's a fancy dinner at Silvara vineyards right outside Leavenworth for \$50 a head. So far, about 7 people raised their hands with interest. It will be fun.

March Meeting Minutes cont.

Sometime in the future: Ray invited club members to his home. He has a new bar...and free drinks. Shoshanah thanked Ray and Louise for the invitation and said she would talk to Arthur to figure out times.

Old and New Business

No new business.

Raffle (Shoshanah)

Shoshanah said Arthur has all the raffle prizes, but he's not here with them! There was no raffle at this meeting, so stay tuned for next month!

Meeting Adjourned

Lacey Lions Club Pancake Breakfast & Short Tour cont.

After breakfast Marilyn and Shoshanah took us on a brief road run (route provided by Cynthia!:))

Despite the wet and chilly day, we got 20 cars and their crew for breakfast and 14 cars for the short tour.

All in all it was a nice way to end a week.

CdeO Corvettes For Sale

CdeO is doing Springs Cleaning this year. We have some corvettes for sale at great pricing, Please help spread the word.

First up:

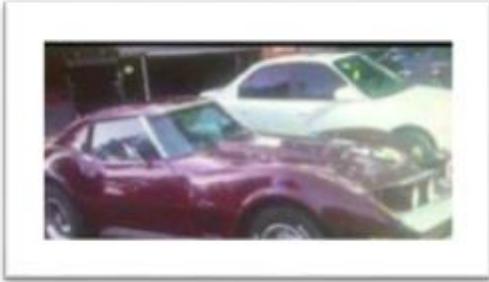

1998 Chevrolet Corvette Coupe.

Torch red with custom paint job and lots of custom chrome. 61,000 miles. LS1 V8 Engine with a 4 speed automatic. The 1998 Corvette was named Motor Trend's Car of the Year. This car is a garage queen. I have owned the car since ????. It has brought home a number of trophies from car shows over the years. You would be hard pressed to find a Corvette of this vintage in better condition. \$18,000.00.

JUST IN TIME FOR SUMMER!

1973 Chevrolet Corvette Stingray T- top Coupe. \$12,000

Contact: Meagan Renwick notdads@hotmail.com

It has the numbers matching 4-speed transmission, the numbers matching 350 engine, T-tops, and removable rear window. Black interior, AC is there but has not been charged. The car needs the interior replaced because it is very worn, but this is a decent driver. The car is solid, the paint on the front bumper was cracking so it was smoothed and repainted in Black. This car is a great project for someone to finish off, we just have too many cars and we are getting ready to move, so we need to downsize our fleet. The headlights need Springs that's why they're open in one of the photos. it has a clean and clear title that is titled in my name, it has never been totaled or branded in anyway. If you have

questions please feel free to ask. Serious inquiries only, This is an excellent price for a 1973. Especially one that is Turnkey for a driver. Lots of extra part
