D. Proposed Amendment to Bylaws

During our last monthly meeting, Art C. proposed that we change the date on which member dues are payable from the beginning of the CdeO calendar year to the anniversary of the date the member joined the Club. After much discussion, members voted to keep our current approach of paying dues at the beginning of the CdeO calendar year. This means dues are officially due on March 1st!

E. All City Rally, Other Business (and Raffle!)

Brian gave an update on the rally. It's coming along nicely. We have a start and finish location, and the coordinators and their volunteers are industriously working in their respective areas. We had a successful booth at the Corvette and High Performance Swap Meet this last weekend—thanks to everyone who participated. The Swap Meet kicked off the promotion effort for the rally, and a number of good contacts were made. You will be hearing more from the rally team as the date grows nearer. There's still time to help!

Next month's meeting location is still pending. We will communicate the March location as soon as it's available.

Let's Raffle! – Leo D. won the cash prize of \$27; he will bring the raffle prize for March.

The meeting was adjourned after the raffle at 8:30 p.m. See you at the next meeting on March 12th!

P.S. Thanks again, Cliff, for all of your final edit passes on the minutes this year. You made the job of approving the minutes that much easier for everyone!

There's always a lot to be thankful for if you take time to look for it. For example I am sitting here thinking how nice it is that wrinkles don't hurt .

Did you ever notice: When you put the 2 words "The" and "IRS" together it spells "Theirs."

Aging: Eventually you will reach a point when you stop lying about your age and start bragging about it.

The older we get, the fewer things seem worth waiting in line for.
Some people try to turn back their odometers. Not me, I want people to know "why" I look this way. I've traveled a long way and some of the roads weren't paved.
