

Amended “Summer Stage Protocol” for those meeting in person at the Meditation Center

Updated: September 3, 2021

1. Those who are fully vaccinated and free of cold/flu symptoms may attend in person; those who are not fully vaccinated or are ill, please attend by Zoom.
2. In accordance with SLO County Health Department regulations, masks are again required at all times inside the Center.
3. Since we do not yet have enough people committed to volunteering for the Sunday Night Program to allow for outside tea service, until we do, please bring your own tea, if you would like some to drink.
4. Spaced seating is available on both chairs and cushions. Chairs may be moved closer together if both attendees agree.
5. Current protocol will be posted; “enforcement” is entrusted to your practice of the Eight-Fold Path.
6. To avoid congestion, please enter through double doors at “back” of Center and exit through the single door at “front.”
