

How to bid on items in your pajamas!

Thank you for supporting the Darien Rotary Club! We have one and only one fundraiser, our Taste of Route 66 event, to be held this year on Tuesday March 24, 2020 starting at 6 PM Central. We're sorry you can't be there, but you can bid on items anywhere there's an Internet connection. So while we're having fun at the event, you can be comfortable in your pajamas! Here's how to do it – with pictures!

Step 1 – Get Registered

The first step is to get registered. Please visit our website at <https://tasteofroute66.givesmart.com>. In the upper right-hand corner of the site, there will be a button to **Sign In or Register**. Please click the button.

Step 2 – Finish Registering

Once you do that, you'll get a popup like the picture below.

Click on **Register Now**. You'll be taken to a screen to provide the useful information we need. A couple of tips:

1. You have to enter a credit card to bid online. You can do it now (preferred) or when you start to bid.
2. When you put in your full name, the system will automatically create a user name which will be your last name and your mobile phone number. You can change this to something easier to remember. *We recommend using your email address.*
3. You will have to create a password which you should remember. The password requires at least 6 chars, 1 uppercase, 1 number and 1 special character such as (!@#\$%^&*)

When registered, you will be taken back to the main page and your username will be in the upper right-hand corner. Our Sample User's screen is shown below.

Step 3- Bidding!

When you're ready to bid, just log in and click on items. When you find an item you want to bid on, click it. If you haven't put in a credit card before that, you'll get a screen like the one below and will have an opportunity to enter a card. If you did record a card, the button below that says "Add Credit Card" will instead be a space to enter a bid amount and click "bid now."

It's that simple! Every time you bid, you'll get a text message sent to your mobile phone. If you get outbid, you'll get another text message informing you of that. Other helpful tips:

- We have several "instant" items. These are mostly gift cards which are sold at face value.
- There are a number of options to donate – these work just like an item except there's no bidding – you just select the amount and click to donate.
- There is a "heads or tails" item which is a game that only people at the event can play. (Sorry!)

Step 4 – Check Out!

At the end of the night, we'll close the auction and email you an itemized bill for your records. Anything that can be easily mailed, such as certificates and gift cards, we'll mail to the address you gave us. If it's a physical item, such as a basket, we'll email you at the email address you gave us to make arrangements for you to pick it up. (Because this is a charity event, we don't have the budget to ship larger items.)

Again, thank you for your support of the Darien Rotary Club!
