

ROTARY CLUB OF DARIEN
Food For Kids – Weekend Nutrition Program

Make a Difference. Get Involved.

Besides the satisfaction of feeding hungry kids and improving their school attendance, test scores, behavior, and health – the really great thing about our program is that it's easy to contribute. There are several ways to get involved. Whether you're adopting a school, funding a month, holding a fundraiser, volunteering to pack, or sponsoring one or more children, you can play a pivotal role in improving the lives of kids in your community. So what are you waiting for? Choose one of the options below and let's get started! For more info, go to www.darienrotaryclub.org.
