

## Georgetown Village

### Neighbors Helping Neighbors

[www.georgetown-village.org](http://www.georgetown-village.org) T: 202-999-8988

Dear GV Members,

March was a very busy month at Georgetown Village! In addition to the many exciting programs and trips we offered, we also moved our office to the fourth floor of Foley & Lardner LLP. Our new location, right next to the library, is closer to the elevator, and therefore, even more convenient for our members.

Now that winter finally appears to be over, we want to restart our walking group and sunset strolls. Also, we have members who are interested in playing Bridge and starting a German language discussion group. Call or email to sign up for any of these programs.

It is a proven fact that more **scams** occur in the Spring than other times of the year. Be careful when you open your door and don't sign up for any home repairs with people who show up without an appointment at your home. In addition, some of our members have reported receiving phone calls from someone claiming to be with the IRS. **Do NOT** give out any personal information to callers without verifying their identity. Best is to ask them to send something in writing and mail it to you.

Our special programs this month include a private tour of the Anderson House and our IT class on Getting to Know Social Media. Our long-awaited book discussion with Lynne Olson will take place on April 21-I promise NO snow!

Enjoy the warmer weather and long awaited arrival of Spring flowers. Call the office if you need any assistance.

Lynn Golub-Rofrano

**GV Tour of Anderson House, 2118 Massachusetts Ave.  
April 18 @ 1:30 pm**

Georgetown Village members are invited to participate in a private tour of the Anderson House, home of The Society of the Cincinnati. This magnificent home was complete in 1905 and described as a "Florentine villa in the midst of American independence." It was the home of Ambassador and Mrs. Lanz Anderson who left it to The Society of the Cincinnati.

Today, the house serves as the headquarters for the Society, described as the nation's oldest patriotic organization, and also houses their extraordinary library. This library collects and makes available for research, printed and manuscript materials relating to the military and naval history of the eighteenth century, with a particular concentration on the people and events of the American Revolution. Georgetown Village members will be treated to a private tour of the house as well as a library talk. Please call the office to reserve your place for this special tour. We must have an accurate count.

**Those Angry Days Book Discussion with author, Lynne Olson- April 21, 10:30 am**

You still have time to read this excellent book and join us for the discussion! The author will also be joining us to share further insight into her work. This fascinating book tells the story of the bitter, and sometimes violent clashes of personality and ideas that divided the nation during the years of 1939-1941. The book raises many interesting questions and ethical issues that I look forward to discussing. We will be meeting at the home of Sara Mashek, 1415 31<sup>st</sup> Street NW, 202-965-3622, please call Sara or the GV office to let us know if you will be joining us.

**IT Series-Get Social! With Caroline Johnson**

Many of you have wondered about Facebook, Twitter, LinkedIn YouTube, etc. Join Caroline as she shows you around these social networks. You will learn how to use these sites to connect with friends and family, and find out enough about them to evaluate whether you think you want to get involved and sign up to use these sites.

Join us on Monday, April 28 @ 3 pm in the GV office location-3000 K Street NW, we will meet in the lobby at 2:55 pm. Please call the office to RSVP so we are sure to have enough handouts.
