Dear GV Members,

As I am sure you have noticed, we keep increasing the number of programs and services we are offering, and our calendar is getting increasingly crowded! I hope you regularly look at our on-line calendar as we sometimes have updates throughout the month with additional information that was not available at the time we printed the newsletter.

Our first Monday Happy Hour is now being held at Mai Thai-3251 Prospect Street. They have a nice area they set aside for us, and their food and drink offerings are extensive and delicious! If possible, call the office when you want to join us so we are sure to have a large enough space reserved.

This month's excursion is on Sunday, March 11 to the National Gallery of Art. Our popular "Chat With" series feature landscape architect Jane MacLeish on March 18. Read more about these programs on the back of this newsletter.

Georgetown Village members have two opportunities to see the World Premiere musical Dave. This show from a Tony and Pulitzer Prize Award-winning creative team is adapted from the Oscar nominated film. Dave tells the story of high school teacher (and presidential lookalike) Dave Kovic, who is hired by the Secret Service as a stand-in for the Commander-in-Chief. When the President falls ill under less than "presidential" circumstances, Dave is thrust into the Oval Office to avoid a national scandal, and must find a way to gain the trust and love of the American people...and the First Lady.

Tuesday, July 17-Village Night at Dave-Waterfront Village has arranged to reserve 25 Tickets at only \$59.00 each. Payment In Advance Only Attendance is limited to members of Washington-area senior villages and their guests. You may call 202-656-1834 or email your seat request to events@dcwaterfrontvillage.org.

Thursday, August 2 at 1 pm special ticket pricing will be available for \$53.00 each (usually \$74+) Register as soon as possible to get the best seats. Please notify GV office if you wish to get tickets to DAVE by March 7 or sooner as this will sell out and we want you to be able to see it.

Looking forward to seeing you at one of our many programs,

Lynn

“Outliers and American Vanguard Art”-Sunday, March 11 at 1 pm

Join Village members for a Gallery talk about this unique exhibit. Folk artists and self-taught artists have always had a role in modern American art, but the boundaries have shifted and changed over time. This major exhibition looks at how these artists have intersected with more mainstream artists. More than 250 works are included in the show, ranging from paintings and sketches to quilts and Polaroids. Gallery Talk at 1, followed by viewing the exhibit.

There is also a Concert at 3:30 pm, “Janoska Ensemble” in the West Building, West Garden Court.

Chat With Jane MacLeish-March 18 -1 pm 3743 Upton Street NW

This month's Chat With speaker is Jane MacLeish acclaimed landscape and garden designer. Jane has been involved in the world of gardens for over thirty years during which time she has overseen the development of large estates, small gardens and everything in-between. Some of her work has been on projects of general interest, including projects for two Vice Presidents of the United States, work on the garden of Blair house, and work for the great families of America.

Jane believes that gardens should be fun, artistic, shabby, full of art, places to laugh and weep, places to touch the soul...and gloriously soothing to all. They do not have to be large or expensive, they should enhance our lives. Jane will share some of her amazing experiences while hosting us at her home, so we can enjoy her garden.

This member-only program offers you the opportunity to interact with Jane MacLeish in an intimate setting, hear her ideas. Attendance is limited to the first 20 people who sign up, if you are interested in attending get in your reservation early.
