

HELMET REQUIREMENTS FOR CRMC PERFORMANCE DRIVING SCHOOL

Only Snell SA2010 or SA2015 Allowed

All helmets must have a Snell Memorial Foundation Sticker with a **certification year of SA2010 or SA2015**. There must be a sticker on the inside of the helmet, usually attached to the hard foam interior under the fabric liner that looks like one of the images below.

Motorcycle helmets (such as DOT and Snell M2010 or M2015) are NOT allowed.

If you are purchasing a helmet, get one with the Snell SA2015 certification which will be good for most organizations conducting track events through 2026. SA2010 helmets will be ok through December 2021.

The new SA2020 helmets should be available beginning in October 2021.

Specific details about helmets can be looked up on the Snell Foundation website at <http://www.smf.org/cert> .
