

LCDA is proud to host:

2019 WAO & IFCS Team Member, **Melanie Miller** – February 16 & 17, 2019

Melanie has been involved in dog agility since 1998, and has developed her own style of handling, melding concepts from great handlers around the world. Her handling is always aimed at giving the dog the earliest possible information, while keeping the handler ahead to show clear, effective cues. She also recognizes that each dog and handler team is unique and works to find the best possible solution for that team. She believes that each team's potential is unlimited and she works to give a clear plan for the next most critical steps to help that team reach their full potential.

Melanie has a unique approach to her instruction, combining several key concepts:

- High motivation for all dogs to maximize drive and potential
- High reinforcement for all handlers to keep the game fun
- Focus on delivering information as early as possible to the dog through timely handling and skill proficiency
- A holistic view of all the components required, including a solid mental game, fitness of handler and dog, and keeping all elements in balance.

I understand that attendance at a dog training class or event is not without risk to myself, members of my family or guests who may attend, or my dog, because some of the dogs to which I (we) will be exposed may be difficult to control and may be the cause of injury even when handled with the greatest amount of care.

I hereby waive and release the Low Country Dog Agility Club, its employees, instructors, members and agents from any and all liability of any nature, for injury or damage which I or my dog may suffer, including specifically, but without limitation, any injury or damage resulting from the action of said dog, or any other dog, and I expressly assume the risk of any such damage or injury while attending any training session or other function of the club, or while on the training grounds or the surrounding area thereto.

In consideration of and as an inducement to the acceptance of my application for training attendance by my dog(s) and/or me at any other function at this club, I hereby agree to indemnify and hold harmless Low Country Dog Agility Club, its employees, instructors, members and agents from any and all claims by any member of my family or any other person accompanying me to any training session or function of the club or while on the training grounds or surrounding area thereto as a result of any action by any dog, including my own, or for any other reason.

Classes are conducted within a fenced in area, however Low Country Dog Agility Club will not guarantee that the fence will contain all dogs. It is the responsibility of the student to monitor the dog at all times and make sure that the fence is securely locked. Proper care should be taken when transporting the dog from the car to the class area.

I understand that I am responsible for the actions of myself and my dog. To the best of my knowledge, my dog does not show aggression towards people or other dogs.
