Surface Type: Outdoor on Field Grass

Ring Configuration: 100 x 100

Amenities

- This event will be held outdoors on grass, within one ring. Our training facility is fenced. However, we do not guarantee that the fence will contain all dogs. It is the handler's responsibility to keep their dog contained and safe. There will be ample room for crating ringside, but no other provisions for sun or rain. Some parking will be provided close to and at ringside. Please bring your own chairs and blanket and/or canopy. The restroom is a porta-pottie.
- There will be additional overflow parking within walking distance just outside the gates of our facility at the machine shop.
- **Please do not wander down the dirt roads surrounding the facility. These are residential driveways and you will be trespassing.** If you are caught trespassing you will be expelled from this event and will not be allowed to enter all future LCDA events that are held on this property.
- A single warm-up jump will be provided for competitors. The warm up area is located behind the score tent and is separately fenced. All dogs must be on leash except when being judged or in the warm-up area
- Safety shall always be of foremost consideration in actions and conduct by handlers at all times.
- Competitors alone are responsible for the behavior of their dogs and/or children. Anyone whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the test site.

PLEASE VOLUNTEER: This is a one ring - one judge show, and there will not be any conflicts, so we expect all competitors to pitch in and work at the trial. In return, we will provide all competitors with the great food and southern hospitality that our club is known for.

Directions to the Site

Please note the following:

Our driveway is difficult to locate. There is a small strip mall called Pinepoint Plaza that is located across the street. It contains a post office and a fitness club. Pull into the shopping plaza. Find the drop boxes for the US Mail. Look directly across the street and you will see our training field and a small sign that says Simons Place. The dirt road that the sign marks is the road to our training field. You can then easily drive to our field.

Should you get lost, call 843-813-2131

There are a lot of roads in the area with Ashley in the name. So make sure that you are on Ashley River Road which is also Hwy 61.

Class Descriptions

Titling Class Rules & Descriptions

One or more titling classes may be held at this Event as described in Chapters 3 - 8 of USDAA Official Rules & Regulations, which are downloadable from www.usdaa.com/regulations/usdaa-rules-and-regulations.cfm. When held, these regulations and any amendments there to are hereby incorporated by reference.

Masters Challenge Program Titling Classes

All dogs - regardless of level of competition - are eligible for entry in the Masters Challenge classes and to earn qualifying scores. These qualifying scores will remain on the dog's record and calculate toward Masters Challenge titles once the dog achieves the Masters Standard / Masters Performance Standard and Masters Jumpers / Masters Performance Jumpers titles.

Additionally, these dogs continue to be eligible for their appropriate level in the regular classes at all levels, unless stipulated otherwise in the Agility Test Schedule. Competitive placements in the Masters Challenge Standard and Jumpers classes accumulate points for annual ranking for Agility Top TenSM and Performance Top TenSM.

Veterans Program Classes

Veterans level classes offered at this event are open to a competitor with any dog that is at least eight (8) years of age as of the first day of this event. Previous experience in the sport sufficient to establish proficiency and confidence in performance is strongly encouraged. A dog entered in a Veterans class on a day may not be entered in that class in the Championship or Performance Programs. Complete program rules can be found at [USDAA Rules & Regulations](#) including amendments.

Masters Challenge Biathlon - Concurrent Titling Scores

The Masters Challenge (MC) & Performance Masters Challenge (PMC) Biathlon tournaments each consists of two classes; Standard and Jumpers. In addition to the combined score of these two classes being scored for tournament qualification purposes, each class will be scored independently in order to determine if title qualification has been earned for the MC and PMC standard and jumpers classes.

See complete biathlon tournament rules and title qualification rules at [USDAA Rules & Regulations](#) and [Tournament Rules](#)

Combined Relay Titling Class Offered at this Event

Relay classes at this event will be held as on a "Combined" basis for each program. Pursuant to USDAA's amendments taking effect April 2, 2020, a Group may offer a Pairs Relay class for titling class on a Combined basis, which is to be run on an Advanced level course and scored under Advanced level rules. The Qualification is valid for any level title. This is in lieu of separating the Relay class by levels, as previously required within a program and is in keeping with the purpose of the Relay class in promoting camaraderie in working a course with a partner.

To enter the Relay class, simply complete the form marking the appropriate Program, list a partner of choice, or by indicating on the entry form that the entry will be a "Draw" partner. All pairs entries without a partner listed shall be accepted as "Draw" entries and paired with someone entered in the class for the indicated Program from any level. All pairs within a Program will compete for overall awards.

When a second offering of the class (indicated "2nd run" on the Entry Form) is to be run on the same course, immediately following the first run, the pair runs with the same partner and each partner must run the opposite side of the course from the first run.

2022 Tournament Season Regulations

The tournament qualifying season for Cynosport® 2022 shall run from September 10, 2021 – September 30, 2022. Cynosport 2022 is scheduled for Scottsdale, Arizona, November 30 – December 4.

Eligibility for entry to Cynosport® 2022 will require that a competitor pre-qualify in at least one tournament. Entry to each tournament requires two qualifications to be earned at local and/or regional events during the qualifying season. A single wild card qualification (five qualifications in the core titling classes) may be substituted for one qualification in one tournament.

Local event qualifying criteria remains unchanged in all significant respects, and the 10" height division will remain as an available jump height for dogs measuring 12" or less.

Competitors may earn "Byes" into the Cynosport® 2022 Semifinals of the Grand Prix of Dog Agility® World Championships and the \$10,000 Dog Agility Steeplechase® by competing and meeting the Bye criteria in the final round at a Regional Championship during the 2022 tournament season. The number of regional championships and their locations will be announced on or before November 30, 2021. A Bye earns a competitor the right to bypass the Quarterfinal rounds in the Grand Prix of Dog Agility and the Dog Agility Steeplechase at Cynosport 2022. Competitors who previously earned Byes at a 2020 Regional Championship but did not compete in Cynosport 2021 may use that Bye in Cynosport 2022 for the tournament in which the Bye was earned.

The Dog Agility Masters® tournament shall continue to be offered on a combined program basis, with local event hosts offering the tournament in either the 2-dog or 3-dog format. All Regional Championships and Cynosport 2022 are planned to offer both formats, providing the opportunity for competitors to team up as 2-dog or 3-dog teams.

Qualifications in tournaments offered through USDAA@Home!SM events are for title qualification only and do not satisfy tournament eligibility requirements for entry to Cynosport®.

Final regulations for the 2022 tournament season will be available on or before September 1, 2021, and shall be posted to the USDAA website. Should events be preempted due to pandemic-related causes or other matters beyond our control, requirements are subject to change.

Entries & Acceptance

Policy on Refusal of Entry

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the Committee view that participation by the competitor or dog could be prejudicial to the sport. However, in such case, the Committee must notify the competitor in writing upon receipt of entry, but in no case, more than three days following the event closing date for acceptance of entries. The burden of responsibility for the appropriateness of such action rests solely with the host group and its Organizing Committee.

NSF Check/Credit Card

Any check or credit card that is charged back by the bank or other financial institution may be assessed a service charge of up to \$40 per incident at the discretion of the host group.

Returned checks or credit card returns do not constitute a valid entry. Amounts shall be paid within 30 day of postmarked notice of the returned payment if such date follows the event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes related to the entry for which payment was made. No reinstatement of results is possible, and all awards must be returned within 10 days of notification or the dog's registration may be suspended pending restitution.

Any unpaid fees or shortfalls must be paid prior to the start of the event, or entry is canceled without recourse.

Refund Policy

There shall be NO REFUNDS for entries withdrawn after the closing date for acceptance of entries, for absentee, dismissal from the event as a result of disciplinary action, dismissal from a class, or for any other reason. Also, no entry fees will be refunded if the event cannot open or be completed by reason of riots, civil disturbances, acts of terrorism, fire, "act of God", public emergency, strike, or any other cause beyond the control of the host organization.

Spam Blocker

Confirmations will be sent via email using the secretary's address. If you have a spam blocker on your email account, please configure it to allow email from the secretary's address since confirmations will be sent from this account.

General Rule on Eligibility

This event is sanctioned by the United States Dog Agility Association, Inc. ("USDAA").

This test is open to all persons with dogs being at least 18 months of age (14 months of age pursuant to Chapter 10 for Intro Program when offered OR for Sanctioned Match), regardless of pedigree or absence thereof, who have a current registration with USDAA and whose owners and the dog's handler are currently in good standing with USDAA.

This event will be held under USDAA® Official Rules and Regulations, a copy of which may be viewed and printed online at [USDAA Rules & Regulations](#), as amended.

Submission of Entries with Secondary Move-Up Date

All entries or cancellations must be received at the Secretary's address no later than the closing date, after which time no entries will be accepted or cancelled. For entries received by the closing date, the level of entry into a given class may be advanced by notifying the Secretary in writing via email by the "Secondary Closing Date". No other changes, cancellations or additions may be made after the initial closing date.

To be accepted, entries must be complete, signed (by parent or legal guardian if handler is a minor), received by the closing date and accompanied by the correct fees and include a valid USDAA registration number on a completed registration form.

Mixed-Height Pairs Entry Allowed

Dogs entered as partners in pairs relay at this event may be combined without regard to jump height, i.e. a mini dog may be entered as a partner with an open dog. Any pair consisting of at least one open dog must qualify in accordance with the QCT set forth by the judge of record for Open Pairs AND will be considered an open pair for placement purposes.

Next-Day Move-Ups Allowed At This Event

Competitors earning a qualification during the Event that is needed to complete a title may advance their level THE NEXT DAY at the same event, i.e. move-ups on consecutive days ARE allowed.

Competitors are responsible for keeping accurate records of their qualifying scores and the judges from whom these scores were earned prior to this event to ensure that the dog is eligible to move up based upon scores earned at this Event. Competitors are advised to confirm scores earned with the scorekeeper and judge at the conclusion of a class to ensure the qualifying score has been accurately calculated and awarded in accordance with regulations. If for any reason it is determined that the score or previous scores were inaccurate, making the entry ineligible for the higher level class, any results (including awards) shall be forfeited and the entry will be deemed invalid without refund or other recourse.

Move-up forms supplied by this event must be used to notify the secretary BEFORE she leaves the site the day on which you earn your title.

General Entry Conditions

Policy on Fault Limits

In the event of a larger entry, fault limits may be set at the discretion of the Organizing Committee and/or Judge without pre-event notice.

Statement of Responsibility

Competitors alone are responsible for the behavior of themselves, their dogs, children, and guests. A competitor whose dogs, children or guests create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Organizing Committee, be asked to leave the test site.

Prohibitions on Aids & Devices

No leads, collars, food, toys or other aids or devices shall be permitted on the course at any time, except as provided for in Chapter 10 when Intro Program classes are offered, or in Chapter 8 when Junior Handler Program classes are offered.

Bitches In Season Allowed at This Event

Special provisions are being made for competitors who have bitches in season. However, any dog that is ill or exhausted and pregnant bitches cannot take part in the running of any class. For details go to [USDAA Policy Statements](#), which are hereby incorporated by reference.

Fix & Continue Will Be Allowed At This Event

The USDAA Policy Statement on Training in the Ring or "Fix & Continue" has been adopted for this event and is hereby incorporated in its entirety by reference. Competitors are expected to familiarize themselves with this policy, which can be found on the USDAA web site at [Official USDAA Policy Statements](#)

Fix & Continue during a competition run generally provides for repeat of an obstacle at handler's discretion under conditions set forth in the Policy Statement. When discretion is exercised to utilize the Fix & Continue, their score will be recorded as an elimination and the maximum course time set to 60 seconds. This practice may be utilized only once in any Standard, Jumpers, or Relay class (including similarly-styled tournament classes at qualifying events). The competitor must continue working the course in flow, while "fixing" and "continuing" on the course. See the Policy Statement referenced above for complete details.

Mulligan Runs Not Allowed At This Event

Due to time constraints, the show committee has determined that Mulligan Runs will not be available at this trial.

Running a Class "For Exhibition Only" (FEO) at Local Events

A competitor may enter a class at a local event (events other than regional, national and international championship or special events) and declare on the day of the event that they are going to run "For Exhibition Only" (FEO). Declaring "For Exhibition Only" requires that-

- the Gate Steward, or the Competitor in the absence of a gate steward, clearly mark "FEO" by the competitor's entry number on the posted running order
- the Competitor vocally declares to the Judge and Scribe, "FEO", when advancing to the start line
- the Scribe clearly marks "FEO" on the scribe sheet
- the Scorekeeper records the round as "Withdrawn", denoting the round as a noncompeting round in the official results and shall be ineligible for awards

Additionally,

- non-audible toys are allowed but must be used in a manner that does not distract other dogs running in adjacent rings
- the dog shall be run at the height at which it was entered.
- the maximum time on course allowable is the Standard Course Time (SCT); however, the judge, in their sole discretion, may dismiss a competitor from the ring for any behaviors that are deemed unsafe or harsh, or that do not present the sport in a positive way.

Social Distancing & COVID-19 Safety Measures

We are pleased to offer an opportunity for competitors and others to get out and enjoy events with their dogs. Such statements may be included in this test schedule, in the event confirmation, or posted on site at Check-In for this event. Evolving COVID-19 & General Health Safety Measures

Additional health and/or safety measures may required by the facility owner at which this event is being held, or by the Event Organizer. Such statements may be included in this test schedule, in the event confirmation, or posted on site at Check-In for this event. Failure to comply with these requirements, as well as other provisions in this test schedule are subject to disciplinary action as described in Appendix C to USDAA Official Rules & Regulations, which could result in dismissal from the event and/or cancellation of all results from performance at the event, without recourse.
