

STEAM Career Leadership Conference

Friday, April 12 - Sunday, April 14, 2019

3 Day Leadership Conference for High School CTE Students

Calling out to all industry supporters, join our conference in connecting students with their future careers. Exhibitors will bring demonstrations, and hands on activities for students throughout the event. The program provides students with industry demonstrations and exhibits, college connections, and non-profit volunteer opportunities to use their skills and build a resume.
