

Addendum to DeVries Facility Rental Agreement

Last revised: September 14, 2020

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to be spread mainly by person-to-person contact. As a result, federal, state, and local governments and health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

DeVries Nature Conservancy has put in place preventative measures to reduce the spread of COVID-19; however, we cannot guarantee that you, your children, or your event guests will not become infected with COVID-19. Further, visiting or attending events at DeVries Nature Conservancy could increase your risk of contracting COVID-19.

Acknowledgements

By signing this agreement, I acknowledge all of the following:

- I do not currently exhibit any symptoms of COVID-19, included but not limited to fever, diarrhea, and/or cough.
- I will immediately notify DeVries Nature Conservancy if I, anyone in my family or household, or anyone I have been in contact with exhibits symptoms of COVID-19 or is confirmed to have contracted COVID-19 within 14 days of visiting DeVries Nature Conservancy.
- I acknowledge the contagious nature of COVID-19 and voluntarily assume all risk that my children, event guests, or I may be exposed to or infected by COVID-19 by visiting or attending an event at DeVries Nature Conservancy.
- I agree to hold harmless and release DeVries Nature Conservancy from all liabilities, claims, actions, damages, or costs in the event that my children, event guests, or I contract COVID-19.

Gathering Size Limits and Masks

In accordance with Executive Order 2020-176, indoor gatherings are currently limited to 10 people and outdoor gatherings are limited to 100 people. While the Executive Order remains in effect, this applies to any facility rentals at DeVries Nature Conservancy.

In addition, the order requiring the use of face masks in indoor public spaces (Executive Order 2020-153) is still in effect at this time.

If any of these parameters are changed before your event, we will get in touch with you to update the rental agreement. Please don't hesitate to contact us with any questions.
