

Death by Chocolate

As a representative of the Emerald Coast Business Women, I am excited to announce that we will be holding our 19th annual "Death by Chocolate" benefit on Tuesday, March 6th, 2018 at the Marina Civic Center. Our goal is to raise money to help meet the educational needs of women and men in Bay County by offering our ticket holders what everyone loves – dessert.

In order for this event to be a success, we are going to need the assistance of area businesses like yours. We would like to ask for your help in the form of a silent auction item. Any merchandise or gift certificate that you would be willing to donate would be of great benefit to us. After all the more money that we raise, the more we can give. In return for the donation, we will display your business's name beside your item, list you on the program and include you in other forms of promotion. The item you donate valued at \$100 or greater will entitle you to one free ticket to the event.

We hope you will help us support continuing education for women on the Emerald Coast. Thank you in advance for your help in making our "Death by Chocolate" event a success. Should you have any questions or to let us know when we can pick up your item, please call or email us.

Sincerely,

Pam Johnson
