Letter of Recommendation: Please write a recommendation for your nomination of this applicant. Consider the applicant's leadership in co-curricular activities, their academic achievement, your personal interactions with the applicant and your insight into his/her leadership abilities, skills, potential, and character. Also indicate the applicant's leadership impact on your program, their community and other students. Limit your endorsement to **two double-spaced typed pages**. **Once complete, save this form and your letter of recommendation as two separate PDF documents for your student applicant to upload their application materials online.** If you prefer not to share your recommendation with your applicant, you may wish to have your student send their application materials to you to submit on their behalf or meet with your student to submit the application together.
