About EOAF

EOAF is an affiliate organization of EOA:

The Educational Opportunity Association (EOA) is a regional professional association. States in the EOA region include Illinois, Iowa, Indiana, Kansas, Michigan, Minnesota, Missouri, Nebraska, Ohio, and Wisconsin. Nearly 1,000 professionals working in TRIO or Educational Opportunity Programs (EOPs) at approximately 200 colleges, universities and community organizations throughout the region are active EOA members.

The common, over-arching purpose of all TRIO and EOP programs is to motivate and support students from disadvantaged backgrounds in their pursuit of a college degree.

EOAF Extends the Work of EOA:

EOAF raises and manages funds for the primary purpose of providing scholarships, fellowships, and other awards to students in the ten-state EOA region.

The EOA Board Scholarship Committee manages the process by which scholarship and award recipients are nominated and selected.

EOAF Board Membership:

EOAF directors are elected by the EOAF Board and serve two-year renewable terms. The EOAF Board seeks nominations for new directors from EOA chapter presidents and sitting directors.

EOAF directors may not also serve on the EOA Board of Directors.
