

Hello EOA membership!

It's that time...Scholarship Time!

We welcome your students to start applying for 2017 EOA scholarships. There have been a few changes to the awards from last year so please read all information carefully.

The scholarship competition for EOA opens February 8, 2017 and ends **March 31, 2017 at 11:59:59 p.m.** Please encourage your students to apply. We will be using the **Scholarship Central** online platform which can be accessed at www.myscholarshipcentral.org. The individual scholarship links are also provided below.

Returning students will need to sign in with the email address and password they used to create accounts and **new students** will need to create a new account. I have provided **Guidelines for Staff and Nominators** as well as **Students** as attachments. Please refer to these prior to beginning the application process. I am available if you or your students have questions or need assistance.

Best of luck to your students during this 2017 scholarship competition!

Sincerely,

Tameka Herrion, Scholarship Chair
