

# Ohio Rivers Symposium

March 20, 2020

ODOT Central Auditorium - 1980 West Broad Street, Columbus OH  
9:00 am - 3:00 pm | registration opens at 8:00 am

*Presented by:*

ODNR Division of Natural Areas & Preserves Scenic Rivers Program,  
Ohio Scenic Rivers Association and the Water Management Association of Ohio

This event brings together people who share an interest in Ohio's rivers. Watershed professionals, naturalists, community members and all others who would like to learn and connect with other river advocates should attend.

**Keynote Address: Dan Rice - Fish Biology**

*other featured speakers:*

Mike Angle - River Geology; MaLisa Spring - Dragonfly Survey

Greg Lipps - Hellbender Salamanders; Dr. Michael Hoggarth - Fresh Water Mussels

Dr. Laura Johnson - Water Quality Research; Martin McAllister - Scioto Brush Creek

Register online at [wmao.org](http://wmao.org) by **Monday, March 16**

Morning refreshments will be provided; lunch available for purchase at cafeteria
