

5 Easy Steps To Get Started on the New CESA.NET Website

1. You will receive an automated Welcome Email from the system with:

- Your unique username
- Your temporary password
- The link to the system

Your membership information has already been loaded into this database and an account has been created for you.

To access your account, go to the website at <http://CESA.net>, then click the red "Member Login" button in the top right of the screen to log on with this temporary account info:

User name: taylor3

Temporary Password: sf89ER8a

When you log in the first time, you will be required to change this password to

2. Click to go to CESA.NET and click on the Member Login button in the upper right corner of the screen.

Who is CESA?

The California Emergency Services Association (CESA) is a non-profit professional organization dedicated to the promotion of mutual support and cooperation across disciplines in preparing for natural and human caused disasters and public emergencies.

5 Easy Steps To Get Started on the New CESA.NET Website

3. Change your password, using the provided hints to create a **STRONG** password. (This protects your and my personal information, and our payment information.)

User Name and Password

Some areas of our web site are only available to members. Your username and password allow you to log into the site within the association.

User Name 8 of 50 characters used

Password 0 of 50 characters used

Confirm Password

Remember me on this computer

Password Hints

A password strength indicator will give you a score on your selected password as you type. Note that this is

4. Next, update your profile. And feel free to look around and update anything that needs it, especially in:

- Personal Info/Contact Info
- Personal Info/Additional Member Date
- Website/Interests

- *Contact Info*
 - Basic required name, address, phone, email, website
 - *Please check to make sure all your info is up to date*
- *Additional Member Data*
 - Current EM certifications: CEM, MEEP, etc
 - Other Certifications, First Aid, Toastmasters, PMP
 - Sector do you work in or most identify with (choose one-to add more you are interested, update Website/Interests
 - What year did you start working in emergency management
- Chapters/Additional Members

5 Easy Steps To Get Started on the New CESA.NET Website

- What chapter you are a part of.
- This has been set for you
- If the membership is organizational or benefactor, the chapters of the others in this membership would be designated here

Financial/Historical Data

- Since we are just starting with the system, most will not have any data here

Forums

- Since we are just starting with the system, no forums have been started
- You can adjust your settings to make it easier to participate via email
- If you are interested in starting a forum discussion, let the Admin know
- We will have links to the old forum

Website

- Reset your own password
- *INTERESTS*-Choose all the sectors that interest you. This will allow the Admin to send directed messages if needed

User Help

- A manual on the entire system
- A video on updating the profile

5. Then feel free to explore the rest of your website and register for the Conference!
