ROCK HILL BICYCLE CLUB

Rock Hill, South Carolina

From the President

COVID, COVID, COVID. Is anyone else but me tired of the chaos that COVID-19 is causing? This time of year, we should be hot and heavy into our weekly rides, the TT series, and our new Crit course events. Alas, that is not to be.

I hope everyone is staying safe and able to get some rides in. I know the bike is the only thing keeping me sane these days. If you do ride, please be careful and mindful of others.

With any luck we will all be back together soon. I am keeping the Coronavirus page on our web site updated, so keep checking that for the status of our rides.

We are in the process of finalizing a partnership with Zealios, a provider of products for athletes. The regular club discount will be 25%, and we will have a special 10-day 40% discount to kick it off. For more information on Zealios products, check them out at <https://teamzealios.com/>. FYI, the club Prez can vouch for their products. Stay tuned for more info.
