RLPOA
Hayward WI

Elevations at the 3 culverts of Osprey Creek intersecting County Highway NN, Sawyer County WI

Elevations we measured at the top of the culverts because of rust and sediment at the bottom of the culverts.

Culvert size – 48" diameter

All Elevations are on NAVD 88 vertical datum.
Benchmark elevation – 1350.58'

Inlet elevations (east side of HWY NN)

- North culvert – 1344.52'
- Middle culvert – 1343.98'
- South culvert – no elevations, top of culvert was rusted out

Outlet elevations (west side of HWY NN)

- North culvert – 1344.67'
- Middle culvert – 1344.25'
- South culvert – 1344.67'

Thanks for your interest in our services.

Sincerely,

Todd
