Dedicated to promoting the treasury management profession in the Houston area.

Membership Benefits

The Houston Treasury Management Association (HTMA) is a non-profit organization dedicated to promoting the treasury management profession in the Houston area.

HTMA membership is available to individual practitioners involved in treasury/cash management. Treasury professionals who have retired or become unemployed, as well as educators from institutions of higher learning, may join as associate members.

The Association's membership, about 150, includes treasury professionals from many industries, such as energy, health care, utilities, retail, manufacturing and government. Members bring with them a diverse range of special interests and unique ideas as well as experience and solutions to situations other members may encounter.

What's the Purpose of HTMA?

HTMA's mission is to provide a forum for the exchange of ideas, to improve contemporary treasury management techniques and to educate its members. HTMA strives to improve treasury management by holding at least five meetings a year for its members, associates and guests. Meetings are held on weekday nights and include dinner, guest speakers and ample time for networking with fellow members.

A selection of various meeting guest speakers provides a full range of treasury topics including government regulations/proposals, developments in banking products/services, cash collection and disbursement methods, fraud issues, investment strategies, foreign exchange, derivative instruments, trade credit and risk management.

What are the benefits of joining HTMA?

- Continuing education credits for the CTP/CCM program and CPEs for certified public accountants
- Social events such as spring & summer social and holiday party
- Member job referral service
- At least five monthly dinner meetings with expert speakers presenting the latest treasury management topics
- Annual seminars and courses (additional registration fee required)
- Intermediate and Advanced level topics presented via Webinar
- Leadership opportunities as HTMA officers, committee chairpersons, and taskforce members
