ABSR Community Foundation

Grant Scoring Criteria

Criteria	Excellent	Good	Below Average	Score
Fit with ABSR Community Foundation Mission and Funding Capabilities	**12** **Project furthers ABSR Community Foundation's mission and fits within its funding capabilities**	**6** **Project is related to ABSR Community Foundation's mission and, with modifications, can fit within its funding capabilities**	**0** **Project is unrelated to ABSR Community Foundation's mission and/or outside its funding capabilities— no further review of application is warranted**	
Demonstration of Need	**6** **Project fills a clear and compelling community need**	**4** **Project, while not completely necessary, likely to enhance the community**	**2** **Project unlikely to yield a community enhancement**	
Project Design	**6** **Objectives are clearly defined; implementation plan is feasible**	**4** **Objectives are somewhat clear; implementation plan could be more complete**	**2** **Objectives are fuzzy; implementation plan is infeasible**	
Evaluation	**3** **Project results are measurable; method for measurement is clear**	**2** **While parts of the project are measurable; method of measurement is incomplete**	**1** **Outcome of project likely to be unmeasurable**	
Impact on Community	**9** **Project has potential to provide community-wide benefits well in excess of costs proposed**	**6** **Project has potential to provide benefits to specific groups within the community, generating benefits in excess of costs**	**3** **Project benefits few people; project's costs exceed its benefits**	
Budget	**6** **Budget is complete with sufficient justifications; sustainability addressed**	**4** **Budget lacks sufficient detail but expenditures seem reasonable; sustainability questions remain**	**2** **Budget is incomplete; unreasonable expenditures; no plans for project sustainability included**

Date: | Reviewer's Initials:

Project Recommendation:

- o   Approve
- o   Reject
- o   Accept Conditionally

If approved conditionally, what changes need to be made for final approval? Use back of sheet, if needed, for these and other comments.
