Camp Takeaways:

The Steve Gordon/CBOA Camp is a teaching camp geared towards those individuals who desire to improve their standing within their local Association or move up to the next levels of officiating. The camp will be staffed by CBOA officials, many of whom are State Tournament officials and also officiate on the college level. The camp will also include guest speakers and clinicians from the collegiate level and from the NBA. Officiating skill and development of a comprehensive pregame will be emphasized to enhance familiarity with three person mechanics and philosophy. Each camper will receive individual game reviews and a DVD of each game worked for their personal use.
