OKLAHOMA DRESSAGE SOCIETY

Is proud to present our 2019 Spring Symposium
Featuring
CHRISTINE TRAUERIG

“Training Exercises Used to Progress Through the Levels”

Christine was born in Germany to parents who operated a breeding farm near Verden. At age 25 she began riding for the Hanoverian Elite Sales in Verden. She moved to the US in 1982 and assisted her husband, Bernie, in importing dressage and jumper horses.

In 2000 Christine and her partner Etienne were on the US Team at the **Sydney Olympics**, earning a **Team Bronze Medal**. In 2002 she and Etienne were alternates for the WEG Team in Jerez. Currently Christine operates her training stables in Encinitas, California.

In 2015, she was appointed as the USEF **National Coach for Young Dressage Horses**

Christine will be one of the presenters at the **USDF Trainers' Conference** in Florida, Jan 2019

In this Symposium Christine will focus on how exercises progressively prepare horses to move up through levels by building strength, confidence and self-carriage.
