

# DELAWARE VALLEY BICYCLE CLUB

P.O. BOX 497, MEDIA, PA. 19063

The DVBC is a non-profit corporation formed to educate the public as to the safe use of the bicycle, through lectures, seminars, planned rides, and other activities promoting the bicycle as an efficient and enjoyable means of exercise, recreation, and transportation.

Non-members are welcome on rides, but are urged to consider their ability and experience when selecting a ride. (See Ride Guidelines.) All rides are subject to cancellation due to weather. If in doubt about the weather or level of difficulty of the ride, please call the ride leader. Though the use of safety equipment, helmets in particular, is strongly urged, the club cannot accept responsibility for accidents or injury while participating in a DVBC event.

## FROM THE EDITOR

I try not to take up space with a letter from the editor each month so when I do put one in I would like if you would sit down and consider what I have to say. If you haven't led a ride for your fellow riders and you would like to lead one here's your chance. Just send this form in to the Club P.O. box before the 15th of December.

Also if you do not want to lead one and you have the chance to ride on another riders ride. Just take a couple of minutes to write a re-write of the ride so we can say thanks to our leaders in our newsletter.

For instance; last month Don Patterson had 10 riders out for his PA Dutch ride, Ira Josephs had 3 riders out for his Class D Rose Valley ride, Doug K. Had 7 out for his Fort Mott ride, and Rich B. had 9 out for the Red Bank Ride.

Thank You,  
*Edward P. Sigda*
