

Anacortes Yacht Club Race Packet – Such a Deal!

March, 2020

- **Register once, race all year long!**

- **You don't register, you don't get scored.**

That's just how it works. You're welcome to come sail around the courses with everyone, but if you want to be scored and eligible for trophies and end-of-year awards, you must be registered. Register here: regattanetwork.com/clubmgmt/applet_registration_form.php?regatta_id=20307

- **Take your own finish time.**

In the absence of a Race Committee boat at the finish line, note the time that is displayed on your **GPS** when you finish. Then **text the scorer** (Scott Truesdell) at **(714) 914-7157** with your **BOAT NAME**, **SKIPPER NAME**, and **FINISH TIME (00:00:00)**. If you do not finish, please text the scorer so we don't send the Coast Guard out looking for you.

- **Download the Race Packet in .pdf format.**

Go to AYC Racing page and click the button "Download the 2020 Race Packet .pdf".

- **Which races are included in the Race Packet fee.**

On the Event Websites (see Event Pages below) for these included races there will be a link to [Register Online](#) but if you have bought the Race Packet, you are automatically registered for all the races in this section. No need to register again.
