F. Discipline Policy

1. First step: Verbal warning during or immediately following club.
2. Second step: A continuing problem will require the parent to be notified.
3. Third step: The parent will be asked to stay at the club, activity or troop meeting and monitor their child. A written discipline note will be given to the parent and a copy will go to the PEACH Board.
4. Fourth step: The PEACH Board will determine the consequences for a continuing problem that may result in a temporary suspension or the student being expelled from the club, activity or troop with no refund.
