Hello:

As we prepare for the upcoming election on Nov 3rd, we will have a service outage on Friday October 16, 2020 from 2:30 PM EDT to 4:30 PM EDT. During this time, you will not be able to submit any SQUINTs. We will send an email when the service outage ends.

Also, we recently deployed updates to the SQUINT Apps to Google Play and the Apple App Store. These are both version 1.2.4. If you have not already updated your SQUINT App, please do so now as you will get the following error message after tomorrow's software update on the Android if you have a previous version:

And you will get the following error message on the iPhone if you have a previous version:
